

Flat top, two door version of Stockton 11, shown here in Matt black burning logs.

STEEL

Stockton 11

With an impressive 11kW heat output, this is the largest stove in the Stockton range and is particularly suitable for sizeable living rooms, substantial inglenooks and open-plan barn conversions. The choice of flat top, low canopy or high canopy, single door or two door versions and four colour options will provide you with the perfect combination for your home.
